WELCOME COLONIAL FANS

TO THE 2020 FALL SPORTS SEASON >>>

On behalf of the Board of Directors, Administration, and Staff it is my pleasure to welcome you to Conewago Valley School District. This school year will certainly present some challenges, but we know that our school, students, and community will rise to meet these challenges. We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community.

Extracurricular activities play an important role in our school district and provide experiences for our students that allow them to be successful, on and off the field of play. For our programs to be successful we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses.

We have been fortunate to receive support from our community in the past and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship. Thank you for your support as we navigate this fall season.

GO COLONIALS!

Yours in Education,

Christopher Rudisill

NEW OXFORD HIGH SCHOOL 2020 COLONIALS FALL SPORTS

>> A MESSAGE FROM THE NEW OXFORD HS

PRINCIPAL

Greetings Colonials!

NFL star JJ Watt stated, "Success isn't owned, it's leased. And rent is DUE every day." It is my sincere hope that all of our student-athletes this season embrace this mantra and truly enjoy the journey that is high school athletics, learning to embrace failure as an opportunity to get better. Though this season will certainly be different, I encourage our student-athletes and parents to enjoy every possible moment as an opportunity to create lifelong memories. As a district, our athletic program is on the rise. This is due to the strong leadership of our coaches, team captains, and administrators, as well as the hard work and dedication of our student-athletes. Parental support continues to increase, which is an integral ingredient for continuing down the road to success. The charge to the school community is to continue to be a part of the solution, and serve as a driving force behind positive change that will ultimately impact the skills and sportsmanship of our student-athletes.

Under the leadership of our athletic director, Mr. Doug Wherley, and his administrative assistant, Mrs. Patty Musselman, our athletic program continues to grow and flourish, with an evolving vision of where we need to be in the future. The addition of the turf field to our stadium, along with some other needed upgrades, will support an increase in excitement and pride as our teams compete within this arena. We have had a successful offseason of interviews, and are thrilled with our new coaching hires and the knowledge and spirit they bring to our school community. Our student-athletes will continue to define what it truly means to be a Colonial by their actions on and off the field. Traditions will be built and Colonial Nation will continue to thrive. School spirit will provide the foundation for success across all teams, and serve as the springboard for mutual support across all programs throughout the district. Our experiences in life are what we make of them. We all need to strive to make this the most memorable year possible! Let's work together to make it a great season.

GO COLONIALS!

Proudly,

Christopher T. Bowman, Ed.D.
NOHS Principal

>> A MESSAGE FROM THE NEW OXFORD HS ATHLETIC DIRECTOR

On behalf of the Athletic Department, I would like to welcome you to New Oxford for today's athletic event. It is with much anticipation that we embark on the fall season here at New Oxford. The 2020 Fall Season will certainly be one to remember. The uncertainty of COVID-19 surrounded by whether or not school and interscholastic sports could move forward was gut-wrenching to say the least.

The Conewago Valley School District Athletic Department is committed to providing all student-athletes the opportunity to fully develop their academic and athletic potential. Student-athletes will epitomize good sportsmanship while learning to appreciate the benefits of hard work, motivation, and perseverance in practice and competition. Colonials will take pride in their accomplishments and maintain integrity in defeat. Student-athletes will represent New Oxford in the highest esteem, will learn the values of responsibility and respect, and will understand the importance of teamwork while participating in extracurricular activities. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District.

I wish all of our student-athletes the best of luck this fall. We appreciate the countless hours over the summer months you have put in to prepare for this season and for following the strict guidelines that were necessary to ensure a season could begin. We thank you for your efforts and look forward to celebrating the many accomplishments you will achieve throughout the 2020-21 school year!

Sincerely,

Douglas J. Wherley

NEW OXFORD HIGH SCHOOL 2020 COLONIALS FALL SPORTS

Thank you so much for attending today's match! Your support to our program and to New Oxford's student athletes is greatly appreciated. The Girls Tennis team is looking forward to another season full of exciting and competitive games. It is our belief that we must be role models on and off the courts. Tennis is a gentleman's/ladie's sport and through sportsmanship on the court, our athletes learn valuable skills used both in and outside of the game. Our athletes show resiliency and do not give up. Each day they strive to be better. Our athletes understand that winning a sportsmanship award is just as important as winning a championship. Your support is greatly appreciated. A fan base goes a long way in a tight match. We want to thank you for your continuous support. GO COLONIALS!

Travis Martin >> VARSITY HEAD COACH

Travis Martin was hired by the Conewago Valley School District as a Health and Phys Ed teacher and the head boys and girls' tennis coach in 2005. In 15 seasons under Martin, the Colonials have been on a surge of success taking the program from a 1-2 wins a year program to a consistent league and district contender. Coach Martin's first coaching stint came at East Stroudsburg University. Martin helped coach the ESU Warriors tennis team and was their main Strength and Conditioning coach. Martin graduated with high honors and was awarded the prestigious President's Service award at East Stroudsburg University. During 2004, Martin also competed in the North American Ironman Championship at Lake Placid, NY in a time of 10 hours 59 minutes. Coach was a 4-year starter and letter winner at the ESU Division 2 program. Martin was a 3-time captain and played number one 3 of the 4 years. He received 3 coaches awards and 1 MVP award as a tennis player at ESU. A native to Adams county, Martin played high school tennis at Gettysburg High School. He also competed on the soccer and wrestling teams. Martin was fortunate enough to experience districts and captainship for each sport. In 1999, Martin's wrestling team finished 1st in the district. Martin's high school tennis career came to a halt by losing to a state qualifier in 3 sets during the district singles tournament. Martin resides in New Oxford with his wife, Jenny and their two boys, Bryce and Brady. Martin in his down time loves going to sporting events and coaching his son's sports teams.

Josh O'Brien >> VARSITY HEAD COACH

This will be Coach O'Brien's 16th year as the head golf coach. Over the past few years, the program has grown to over 30 golfers. As a team, they have finished above 500 for the past few seasons. He is most proud that the team has earned the Sportsmanship Award several times throughout his tenure. Individually, they have had more and more golfers qualifying for YAIAA championships and moving on to the District III Championships. He is excited to see who steps up and becomes our next group of leaders and top players.
