# Welcome Colonials fans to the 2021 Fall Sports Season

On behalf of the Athletic Department, I would like to welcome you to New Oxford for today's athletic event. It is with much anticipation that we embark on the fall season here at New Oxford. We thank you for coming out to support your Colonials!

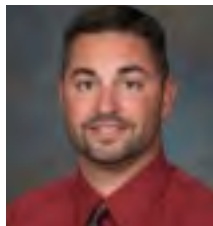

The Conewago Valley School District Athletic Department is committed to providing all student-athletes the opportunity to fully develop their academic and athletic potential. Our student-athletes will epitomize good sportsmanship while learning to appreciate the benefits of hard work, motivation, and perseverance in practice and competition. We ask that you support our Colonials in their accomplishments and maintain integrity in defeat. Our student-athletes will represent New Oxford in the highest esteem, will learn the values of responsibility and respect, and will understand the importance of teamwork while participating in extracurricular activities. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District. I wish all of our student-athletes the best of luck this fall. We appreciate the countless hours over the summer months you have put in to prepare for this season. We thank you for your efforts and look forward to celebrating the many accomplishments you will achieve throughout the 2020-21 school year!

Sincerely,

Douglas J. Wherley

# A Message From The Principal

Greetings Colonials!

Renowned NCAA and NFL football coach, Lou Holtz shared, "If what you did YESTERDAY seems big, you haven't done anything TODAY." It is my sincere hope that all of our student-athletes this season embrace this mantra and truly enjoy the journey that is high school athletics, learning to embrace failure as an opportunity to get better. Though this season will certainly be different, with a hopeful return to normalcy, I encourage our student-athletes and parents to enjoy every possible moment as an opportunity to create lifelong memories. As a district, our athletic program is thriving. This is due to the strong leadership of our coaches, team captains, and administrators, as well as the hard work and dedication of our student-athletes. Parental support continues to increase, which is an integral ingredient for continuing down the road to success. The charge to the school community is to continue to be a part of the solution, and serve as a driving force behind positive change that will ultimately impact the skills and sportsmanship of our student-athletes.

Under the leadership of our athletic director, Mr. Doug Wherley, and his administrative assistant, Mrs. Patty Musselman, our athletic program continues to grow and flourish, with an evolving vision of where we need to be in the future. The addition of the turf field to our stadium, along with some other needed upgrades, will support an increase in excitement and pride as our teams compete within this arena. We have had a successful offseason of interviews, and are thrilled with our new coaching hires and the knowledge and spirit they bring to our school community. Our student-athletes will continue to define what it truly means to be a Colonial by their actions on and off the field. Traditions will be built and Colonial Nation will continue to thrive. School spirit will provide the foundation for success across all teams, and serve as the springboard for mutual support across all programs throughout the district. Our experiences in life are what we make of them. We all need to strive to make this the most memorable year possible! Let's work together to make it a great season. Go Colonials!

Proudly,

Christopher T. Bowman, Ed.D.  
NOHS Principal

A Message From The

# Superintendent

On behalf of the Board of Directors, Administration, and Staff we would like to welcome you back to the 2021-2022 school year. We are excited for a terrific school year and an exciting fall season of extracurricular events. We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community. Extracurricular activities play an important role in our school district and provide experiences for our students that allow them to be successful, on and off the field of play. For our programs to be successful we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses. John Wooden said, "Success comes from knowing that you did your best to become the best that you are capable of becoming."

We have been fortunate to receive support from our community in the past and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship.

Thank you for your continued support of Colonial extracurricular activities!  
GO COLONIALS!

Yours in Education,

Christopher Rudisill, Ed.D.

# Girls Soccer

Welcome! We really appreciate you showing up to support our team. The girls work hard every day and continue to grow stronger as a team and program, and our fans are a big part of that. After a year of no spectators, we are excited to once again hear the roar of the crowd and see friendly faces in the stands. So, sit back, relax (or stand and yell encouragement at the top of your lungs), and enjoy watching the result of our hard work!

Head Coach Bio: David Shaffer

Coach Shaffer is an independent personal trainer and endurance coach with a studio in Gettysburg. He has coached at every level from AYSO through high school varsity. He has learned a lot from each team and strives to foster a fun, competitive atmosphere among the players. This is David's third season with Conewago Valley and he is excited about the growth of the program over the past two seasons and is anticipating a very positive season in 2021. He, his wife and son, and their two dogs, live in New Oxford.

Thank you for coming out to support the Colonials! We are pleased to have your support on the cross country course as it is a non-traditional spectator sport. It's a great day to be a Colonial and a great day to enjoy our sport! Go OX!

This will be Coach Karkuff's 4th year with the Colonials and Coach Wile's 2nd. Both Coach Karkuff and Wiles come with collegiate running experience, Coach Karkuff running cross country and track at Gettysburg College and Coach Wiles competing in the distance track events at West Chester. "Both the boys and girls team have grown this year and have attracted talent that will assist in a successful season on both sides," says Coach Karkuff. The team is hoping to see the younger runners fill the shoes of graduates as we head into the competition season. Coach Karkuff and Coach Wiles are excited to see the returning athletes build on their seasons from last year to achieve new personal bests and to have the newcomers create competitive packs this year.

Thank you so much for attending today's match! Your support to our program and to New Oxford's student athletes is greatly appreciated. The Girls Tennis team is looking forward to another season full of exciting and competitive games. It is our belief that we must be role models on and off the courts. Tennis is a gentleman's/ladie's sport and through sportsmanship on the court, our athletes learn valuable skills used both in and outside of the game. Our athletes show resiliency and do not give up. Each day they strive to be better. Our athletes understand that winning a sportsmanship award is just as important as winning a championship. Your support is greatly appreciated. A fan base goes a long way in a tight match. We want to thank you for your continuous support. GO COLONIALS!

Head Coach Bio: Travis Martin

Travis Martin was hired by the Conewago Valley School District as a Health, Phys Ed and Drivers Education teacher and the head boys and girls tennis coach in 2005. In 16 seasons under Martin, the Colonials have been on a surge of success taking the program from a 1-2 wins a year program to a consistent league and district contender. Coach Martin's first coaching stint came at East Stroudsburg University. Martin helped coach the ESU Warriors tennis team and was their main Strength and Conditioning coach. Martin graduated with high honors and was awarded the prestigious President's Service award at East Stroudsburg University. During 2004, Martin also competed in the North American Ironman Championship at Lake Placid, NY in a time of 10 hours 59 minutes. Coach was a 4-year starter and letter winner at the ESU division 2 program. Martin was a 3-time captain and played number one 3 of the 4 years. He received 3 coaches awards and 1 MVP award as a tennis player at ESU. A native to Adams county, Martin played high school tennis at Gettysburg High School. He also competed on the soccer and wrestling teams. Martin was fortunate enough to experience districts and captainship for each sport. In 1999, Martin's wrestling team finished 1st in the district. Martin's high school tennis career came to a halt by losing to a state qualifier in 3 sets during the district singles tournament. Martin resides in New Oxford with his wife, Jenny and their two boys, Bryce and Brady. Martin in his down time loves going to sporting events and coaching his son's sports teams.

**Your go-to promo**  
**people since 2004!**

Welcome to the 2021 athletic season! We are coming off a crazy athletic and academic year. I look forward to seeing the improvement in the off season and who will step up to lead our team. I am excited to have over 30 golfers. We would like to wish all of our teams a successful season.

## Head Coach Bio: Josh O'Brien

I am a New Oxford High School graduate. I went on to golf at York College of Pennsylvania. Once I finished my degree, I returned to where it all started for me on the course and in the classroom. I have enjoyed some personal successes through the years but I am more about growing the game. I have worked with 100's of young men and young ladies to help them become lifelong golfers. For me, it has never been about the wins and losses, but learning the game and becoming a better player and person. Golf embodies traits that make a person successful such as being trustworthy, being responsible, showing perseverance, having integrity, demonstrating confidence, and having a good sense of judgment. I am proud to say that my teams have won the Sportsmanship Award several years during my tenure. I am excited to see the interest in golf continue to grow for both male and female golfers. I will have over 20 boys and at least 6 girls on the team this year.

# Band

The 2020 USBands D2 Pennsylvania State Champion New Oxford High School Marching Band is thrilled to return “live and in-person” for the 2021 fall season! We look forward to supporting our varsity football team at all their games as well as returning to the competition field at events throughout the state. We would like to thank our community for their strong support for the program and wish all fall sports a safe and successful season!

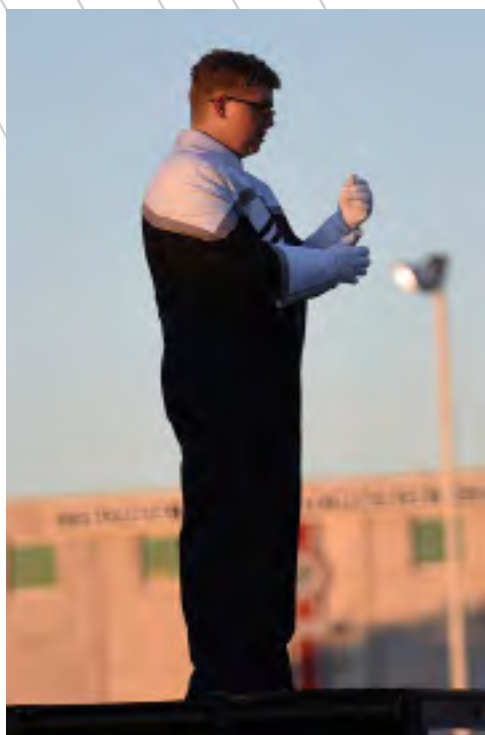

Our 2021 field show is entitled “Bend and Break”. Inspired by contemporary American art (both visual and musical), we hope to present an exciting and intriguing production that explores “bending” and “breaking” through music, color, and shape!

WOW! How the past 17 years have flown by! We cannot tell you enough of how proud we are of you! Like I told your brother, at least one time this season, take a quick minute while running out on that field to embrace that moment. Look around, hear the crowd and the band, look at the faces of your teammates you have been playing with all season and ENJOY it! Etch that memory in our mind! You will miss it when it is all done! Kenny Chesney said it best, "And it's knocking heads and talking trash  
It's slinging mud and dirt and grass. It's I got your number, I got your back when your back's against the wall. You mess with one man you got us all. The boys of fall".

**Meghan Miller**

I can't believe this is your senior year of soccer!

One of my favorite things to do is watch you out on that field. You have grown so much in your skill and ability and of course fearless. You give 110% and have sacrificed your body for the sake of the game and always keeping me on the edge of my seat.

Enjoy this year and savor every moment I know I will be in the stands doing the same thing.

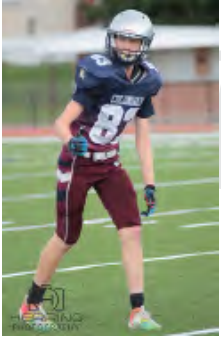

I am so proud of you. Good Luck Colonials, here is to being district bound!

Love Mom
