Welcome Colonials fans to the 2022 Fall Sports Season

Message from the Athletic Director

On behalf of the Athletic Department, I would like to welcome you to New Oxford for today's athletic event. It is with great anticipation that we begin the fall season here at New Oxford and look forward to watching our student-athletes compete. We thank you for coming out to support your Colonials!

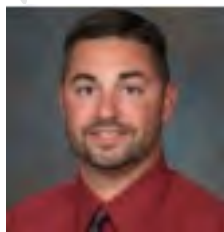

The Conewago Valley School District Athletic Department is committed to providing all student-athletes the opportunity to fully develop their academic and athletic potential. Our student-athletes will epitomize good sportsmanship while learning to appreciate the benefits of hard work, motivation, and perseverance in practice and competition. We ask that you support our Colonials in their accomplishments and maintain integrity in defeat. Our student-athletes will represent New Oxford in the highest esteem, will learn the values of responsibility and respect, and will understand the importance of teamwork while participating in extracurricular activities. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District.

I wish all of our student-athletes the best of luck this fall. We appreciate the countless hours over the summer months you have put in to prepare for this season. We thank you for your efforts and look forward to celebrating the many accomplishments you will achieve throughout the 2022-23 school year!

Sincerely,

A Message From The Principal

Greetings Colonials!

Renowned NCAA and NFL football coach, Lou Holtz shared, “If what you did YESTERDAY seems big, you haven’t done anything TODAY.” It is my sincere hope that all of our student-athletes embrace this mantra and truly enjoy the journey that is high school athletics, learning to embrace failure as an opportunity to improve. I encourage our student-athletes and parents to enjoy every possible moment as an opportunity to create lifelong memories. As a district, our athletic program is thriving. This is due to the strong leadership of our coaches, team captains, and administrators, as well as the hard work and dedication of our student-athletes. Parental support continues to increase, which is an integral ingredient for continued success. The charge to the school community is to continue to be a part of the solution, and serve as a driving force behind positive change that will ultimately impact the skills and sportsmanship of our student-athletes.

Under the leadership of our athletic director, Mr. Doug Wherley, and his administrative assistant, Mrs. Patty Musselman, our athletic program continues to grow and flourish, with an evolving vision of where we need to be in the future. We have had a successful offseason of interviews, and are thrilled with our new coaching hires and the knowledge and spirit they bring to our school community. Our student-athletes will continue to define what it truly means to be a Colonial by their actions on and off the field. Traditions will be built and Colonial Nation will grow stronger. School spirit will provide the foundation for success across all teams, and serve as the springboard for mutual support across all programs throughout the district. Our experiences in life are what we make of them. We all need to strive to make this the most memorable year possible! Let’s work together to make it a great season. Go Colonials!

Proudly,

Christopher T. Bowman, Ed.D.
Principal

A Message From The

Superintendent

On behalf of the Board of Directors, Administration, and Staff, it is my distinct pleasure to welcome you to Conewago Valley School District. After a successful 2021-2022 year for our Colonial teams, we are excited to kick off our fall season! We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community.

Extracurricular activities play an important role in our school district and provide experiences for our students that allow them to be successful on and off the field. For our programs to be successful, we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses. We have been fortunate to receive support from our community in the past, and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship. We are excited for the season ahead.

GO COLONIALS!

Dr. Sharon Perry

Girls Soccer

Welcome! We are grateful for your continued positive support of our team and program, at large. These girls work hard every day in order to improve themselves, their team, and this program. Our fans are a big part of our success and motivation to further improve. The departure of three seniors leaves us with a few holes to fill, but with the return of almost the entirety of our roster from last year, including a few previously injured players, we will have plenty of players ready to step up and fill those spots. While records certainly don't mean everything, they can be a good indicator of the direction of a program. We have improved our record each of the past two seasons, and we strongly believe that this trend will continue in 2022. So, sit back, relax (or stand and yell encouragement at the top of your lungs), and enjoy watching the result of our hard work!

Head Coach: David Shaffer

Assistant Coaches: Tia Wildasin, Shawn Miller

Coach Bio - Coach Shaffer is an independent personal trainer and endurance coach with a studio in Gettysburg. He has coached at every level from AYSO through high school varsity. He has learned a lot from each team and strives to foster a fun, competitive atmosphere among the players. This is David's fourth season with Conewago Valley and he is excited about the growth of the program over the past three years. Last season was the program's first multi-win campaign in over five years, and with most of the roster returning in 2022, he is anticipating seeing even more improvement this fall. He, his very supportive wife Amelia, son Ian, and their two dogs, live in New Oxford.

Cross Country

Thank you for coming out to support the Colonials! We are pleased to have your support on the cross country course as it is a non-traditional spectator sport. While you may not be able to see the entire race, we appreciate the enthusiastic cheering at the times you get to see the runners as they thrive on your encouragement! It's a great day to be a Colonial and a great day to enjoy our sport! Go OX!

Head Coach: Eva Karkuff

Assistant Coaches: Jenn Carbaugh (MS), James Grenagle

Coach Bio - This will be Coach Karkuff's 5th year with the Colonials. Coach Karkuff ran cross country and track at Cumberland Valley High School and Gettysburg College, and previously coached at Boilings Springs High School for one year.

"We are coming off of a track season full of PRs for our returners, and a summer of training that shows we have a lot of young talent coming up through our program" says Coach Karkuff.

The team is hoping to see the younger runners fill the shoes of graduates as we head into the competition season. We will miss Coach Wiles this season, as her professional career took her to Spring Grove. However, Coach Karkuff is happy to welcome Coach Jen Carbaugh to our program as our Middle School Coach! Coach Karkuff is excited to see the athletes in both the middle and high school programs build on their seasons from last year to achieve new personal bests and to have the newcomers create competitive packs this year.

Tennis

Thank you so much for attending today's match! These colonial girls are on FIRE! Your support to our program and to New Oxford's student athletes is greatly appreciated. The Girls Tennis team is looking forward to another season full of exciting and competitive games. It is our belief that we must be role models on and off the courts. Tennis is a gentleman's/ladie's sport and through sportsmanship on the court, our athletes learn valuable skills used both in and outside of the game. Our athletes show resiliency and do not give up. Each day they strive to be better. Our athletes understand that winning a sportsmanship award is just as important as winning a championship. Your support is greatly appreciated. A fan base goes a long way in a tight match. We want to thank you for your continuous support. GO COLONIALS!

Head Coach: *Travis Martin*

Assistant Coaches: *Joe Stiles, Molly Socks, Anne Martin*

Coach Martin's first coaching stint came at East Stroudsburg University. Martin helped coach the ESU Warriors tennis team and was their main Strength and Conditioning coach. Martin graduated with high honors and was awarded the prestigious President's Service award at East Stroudsburg University. Head Coach: Josh O'Brien

Assistant Coaches: Ben Olewiler

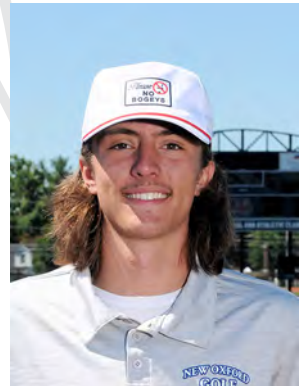

Coach Bio - I am a New Oxford High School graduate. I went on to golf at York College of Pennsylvania. Once I finished my degree, I returned to where it all started for me on the course and in the classroom. I have enjoyed personal successes through the years including winning the South Hills Club Championship this summer. My focus has shifted to growing the game. I have worked with 100's of athletes of all ages to help them hopefully become lifelong golfers. For me, it has never been about the wins and losses, but learning the game and becoming a better player and person. Golf embodies positive personal traits that help to make a person successful. I am proud to say that my teams have won the Sportsmanship Award several years during my tenure. I am excited to see the interest in golf continue to grow across the board.

Peyton Duty

Peyton, you're growing up to be a wonderful human-being. Our only complaint is, does it have to happen so fast? We've watched as you've grown into the person you are today, and we're watching with anticipation to see what you become. We'd like to take partial credit for it, but you're doing most of it on your own. With your talent and determination, the sky's the limit, no doubt! Know as you journey through life that we are so proud of you! You're talented, smart, a hard worker, at-times-sarcastic and most importantly, a thoughtful, kind, and humorous person. Never doubt that! Love Always, Mom & Dad
