Welcome Colonials fans to the 2023 Fall Sports Season

Fall Athletic Director Message:

Welcome Colonial Families, Friends, and Fans! On behalf of the Athletic Department, I would like to thank you for your attendance at today's athletic event. It is with great anticipation that we begin the fall season here at New Oxford and look forward to watching our student-athletes compete throughout the year.

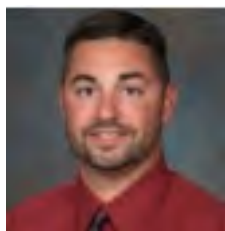

The Conewago Valley School District Athletic Department is committed to providing all student-athletes the opportunity to fully develop their academic and athletic potential. Our student-athletes will epitomize good sportsmanship while learning to appreciate the benefits of hard work, motivation, and perseverance in practice and competition. We ask that you support our Colonials in their accomplishments and maintain integrity in defeat. Our student-athletes will represent New Oxford in the highest esteem, will learn the values of responsibility and respect, and will understand the importance of teamwork while participating in our interscholastic activities. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District.

I wish all of our student-athletes the best of luck this fall. The dedication and commitment you have made to prepare for this season is to be commended. We thank you for your efforts and look forward to celebrating the many accomplishments you will achieve throughout the 2024-25 school year!

A Message From The
Principal

Welcome to another year of Colonial Athletics!

I have no doubt that our athletes have been working diligently over the summer, preparing to represent New Oxford High School with pride. Balancing the demands of being a student athlete can be challenging but I have every confidence that our young people are up to the task. Participation in sports is about more than just competition and winning games; it is an opportunity to learn and grow in profound ways. Teamwork, collaboration, discipline, perseverance, resilience, respect, and sportsmanship are all life skills that our student athletes will take with them after they leave us for their future endeavors.

As we begin a new season, let's celebrate not only the athletic achievements of our students but also the personal growth and life skills they acquire through their participation in sports. Their experiences serve as a testament to the value of hard work, dedication, and the pursuit of excellence.

I encourage all members of our community to come out and support our Colonial sports teams. Your presence at games and events not only boosts the morale of our athletes but also strengthens the bonds that make our community such a special place. Thank you for your continued support of our student-athletes and our sports programs.

Go Colonials!

Dr. Nancy Herb

A Message From The

Superintendent

On behalf of the Board of Directors, Administration, and Staff, it is my distinct pleasure to welcome you to Conewago Valley School District. After a successful 2023-2024 year for our Colonial teams, we are excited to kick off our fall season! We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community.

Extracurricular activities play an important role in our school district, and provide experiences for our students that allow them to be successful on and off the field. For our programs to be successful, we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses. We have been fortunate to receive support from our community in the past, and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship. We are excited for the season ahead!

GO COLONIALS!

Good luck to all of the Colonials sports teams this year! #wearetheox

Boys Soccer

The 2024 Boys soccer team is ambitious to surpass the 2023 record breaking season. After winning the 12th annual 5 Angel's Memorial tournament, placing 2nd in YAIAA Div 2 league and moving on to win the YAIAA county tournament the bar has been raised. Already this year the 2024 boys soccer team placed 2nd in the 13th annual 5 Angel's Memorial tournament with an unfortunate last minute turn of events that resulted in a penalty shootout loss to take 2nd place.

Head Coach: Eric Reeb

Assistant Coach: Brandon Mejia, Luis Concepcion, Shawn Musselman

The 2024 season will be coach Reeb's 3rd year as head coach and 4th year with the team. Coach Reeb was previously a volunteer assistant coach during the 2021 season for both Varsity and JV teams. The 2023 season was the teams greatest success to date after Coach Reeb assisted by Brandon Mejia and Luis Concepcion led the team to win the YAIAA county tournament and overall record of 17 Wins, 2 Draws, and 3 losses. Coach Reeb also coaches a u16 EDP Premier club team at Hanover Soccer Club. This will be coach Reeb's 11th year coaching for HSC.

Coach Reeb is thankful for the support of his wife Alecia and sons Brayden and Connor who previously graduated from New Oxford High School.

Cross Country

Thank you for coming out to support the Colonials! We are pleased to have your support on the cross country course as it is a non-traditional spectator sport. While you may not be able to see the entire race, we appreciate the enthusiastic cheering at the times you get to see the runners as they thrive on your encouragement! It's a great day to be a Colonial and a great day to enjoy our sport! Go OX!

Head Coach: Eva Karkuff

Assistant Coaches: Steve Doland

Coach Bio - This will be Coach Karkuff's 7th year lead the Colonial runners. Coach Karkuff ran cross country and track at Cumberland Valley High School and Gettysburg College, and deeply enjoys her role as the head coach of this cross country team. Coach Karkuff is honored to be joined again this year by Steve Doland as the high school assistant cross country coach. Coach Doland and Coach Karkuff previously coached together at Boiling Springs and enjoyed leading the track and cross country teams at New Oxford together last year. They are looking to build on the success of the 7-12 program this year. Our program is growing in numbers, retention, and talent, and Coach Karkuff and Doland are enthusiastic about what this season holds 7-12!

Coach Karkuff is also excited to welcome Coach Tasha Martin to the program as the head middle school coach. Coach Martin has a passion for running and is eager to get involved in coaching for the Colonials. Our middle school program returns with strong numbers this year and is still growing! The coaching staff 7-12 is excited to see how cross country has grown over the last few years here in Colonial Nation!

The varsity cross country team is a young team with strong returning varsity members and many new members coming up from our middle school program! "It is great to see runners who are engaging in the program in 7th grade and developing their ability throughout high school. It creates a deep program, a strong team, and a close-knit group of athletes" says Coach Karkuff. Coach Karkuff is excited to see the athletes in both the middle and high school programs build on their seasons from last year to achieve new personal bests and to have the newcomers create competitive packs this year!

Tennis

Thank you so much for attending today's match and coming to watch your 2022/2023 League and District Champs! These colonial girls are on FIRE! Your support to our program and to New Oxford's student athletes is greatly appreciated. The Girls Tennis team is looking forward to another season full of exciting and competitive games. It is our belief that we must be role models on and off the courts. Tennis is a gentleman's/ladie's sport and through sportsmanship on the court, our athletes learn valuable skills used both in and outside of the game. Our athletes show resiliency and do not give up. Each day they strive to be better. Our athletes understand that winning a sportsmanship award is just as important as winning a championship. Your support is greatly appreciated. A fan base goes a long way in a tight match. We want to thank you for your continuous support. GO COLONIALS!

Coach Fox and I would like to welcome all of our new and returning golfers this year. Our team focus is on commitment. They need to commit to the process and to never stop improving. I look forward to seeing the golfers improve and gain more confidence as they practice and compete. We would like to wish all of the teams a successful season.

Head Coach: Josh O'Brien

Assistant Coaches: Ryan Fox

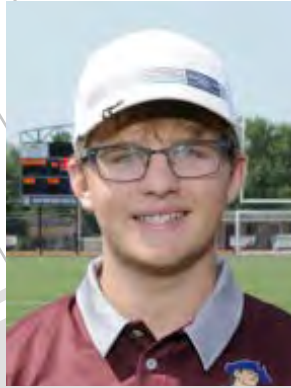

I am a New Oxford High School graduate. I went on to golf at York College of Pennsylvania. Once I finished my degree, I returned to where it all started for me. I have enjoyed personal successes through the years at all levels. This is my 20th year of coaching the golf team. My focus is to help student athletes experience what golf has to offer and become a lifelong golfer. For me, athletics aren't just about the wins and losses, but the relationships and the memories during your time together. It's a chance to build lasting friendships while also being a competitor. Golf embodies positive personal traits that help to make a person successful. I am proud to say that my teams have won the Sportsmanship Award several years during my tenure. I am excited to see the interest in golf continue to grow across the board.
