WELCOME COLONIALS FANS TO THE 2018-19 WINTER SPORTS SEASON!

Michael Jordan said, "I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed." It is my sincere hope that all of our student-athletes this year truly enjoy the journey that is high school athletics, and learn to embrace failure as an opportunity to get better. I encourage our student-athletes and parents to enjoy the moment and embrace as many opportunities to create life-long memories as are presented. As a district, our athletic program is on the rise. This is due to the strong leadership of our coaches, team captains, and administrators, as well as the hard work and dedication of our student-athletes. Parent support continues to increase, which is an integral ingredient for continuing down the road to success. The charge to the school community is to continue to be a part of the solution, and serve as a driving force behind positive change that will ultimately impact the skills and sportsmanship of our student-athletes.

As we welcome our new athletic director, Mr. Doug Wherley, into the Colonial family and his first Winter season, we could not be more excited to see where his leadership, passion, and talents will take our athletic program. We have had a successful offseason of interviews, and are thrilled with our new coaching hires and the knowledge and spirit they bring to our school community. Our student-athletes will continue to define what it truly means to be a Colonial by their actions on and off the field. Traditions will be built and Colonial Nation will continue to thrive. School spirit will provide the foundation for success across all teams, and serve as the springboard for mutual support across all programs throughout the district. Our experiences in life are what we make of them. We all need to strive to make this the most memorable year yet!

A MESSAGE FROM THE ATHLETIC DIRECTOR

Greetings Colonial Families and Friends! On behalf of the Athletic Department, I want to wish our student-athletes continued success during the 2018-2019 winter athletic season. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District.

The Conewago Valley School District Athletic Department is committed to providing all student-athletes the opportunity to fully develop their academic and athletic potential. Student-athletes will epitomize good sportsmanship while learning to appreciate the benefits of hard work, motivation, and perseverance in practice and competition. Colonials will take pride in their accomplishments and maintain integrity in defeat. Student-athletes will represent New Oxford in the highest esteem, will learn the values of responsibility and respect, and will understand the importance of teamwork while participating in extracurricular activities.

Following a fall season where the Colonial programs were able to reach new heights, I, like you, look forward to celebrating more accomplishments our student-athletes will achieve throughout the 2018-19 winter season. Good luck to all basketball, competitive spirit, swimming, and wrestling teams!

A MESSAGE FROM THE SUPERINTENDENT

On behalf of the board of directors, administration and staff it is my pleasure to welcome you to Conewago Valley School District to witness an extracurricular event that has been deemed important by the entire school community.

Extracurricular activities are an important part of any high school program and athletic competition can provide experiences that compliment the basic educational program. However, participation in such activities should be viewed as a part of the total school program and the values associated with such involvement should be related to the overall education of the student. Too often, especially in the heat of the competition, we lose sight of the real reason for extracurricular activities and begin to focus only on wins and losses. If our program is to be successful, we must remember that the main reason for providing such activities is the experience our students gain through participation.

We have been fortunate to receive good support from our community in the past and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations or as spectators who encourage our young people. It is important to us and to our students that you continue your support of our program and display good sportsmanship.

Thank you for your support.

GO COLONIALS!

Sincerely,

Russell E. Greenholt

Thank you so much for attending today's game and supporting New Oxford student athletes! The boys basketball team is looking forward to another season full of competitive games. It is our belief that high school sports provide an enjoyable avenue for enriching students' lives and fostering success for later in life. As a staff, we expect our players to exhibit respect in practice, during games, and in their personal lives. We set them up to compete as much as possible and to strive to improve daily. And for our team to reach our full potential, we need to exhibit these qualities and perform together. Our players strive to better themselves in an effort to represent our community. We would like to take this opportunity to thank everyone for the support needed to assist our program. You all play a role in helping our team reach our full potential. **GO COLONIALS!**

2018-19 COACHING STAFF

Sean Bair >> VARSITY HEAD COACH

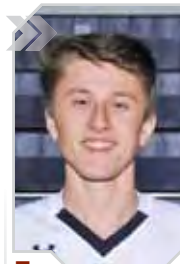

Sean Bair was hired by the Conewago Valley School District as a high school social studies teacher and the varsity basketball coach in 2012. In five seasons under Bair, the Colonials record has improved each year. The 2016-2017 team was the first New Oxford team to qualify for the PIAA State Playoffs since 1983. This feat was matched in 2017-2018 and the Colonials boosted their record to 20 wins making them one of the five winningest teams in school history. Additionally, the 2017-2018 Colonials beat Dover to advance to the YAIAA semi-finals before falling to Central York. Prior to arriving at New Oxford, Bair taught one year at Northwest Classen High School in Oklahoma City where he also served as the JV coach. In 2012 Bair graduated from Dickinson College with a degree in History. A native to Adams County, Bair played his high school basketball at Gettysburg helping to revitalize the program and to lead them to the PIAA District Playoffs in 2007-2008. Bair and his wife, Alexandra, happily live in New Oxford with their wonderful dog Mayble.
