# WELCOME

TO THE 2019-20 COLONIALS WINTER SPORTS SEASON

Greetings Colonial Families and Friends! On behalf of the Athletic Department, I want to wish our student-athletes continued success during the 2019-2020 winter athletic season. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District.

The Conewago Valley School District Athletic Department is committed to providing all student-athletes the opportunity to fully develop their academic and athletic potential. Student-athletes will epitomize good sportsmanship while learning to appreciate the benefits of hard work, motivation, and perseverance in practice and competition. Colonials will take pride in their accomplishments and maintain integrity in defeat. Student-athletes will represent New Oxford in the highest esteem, will learn the values of responsibility and respect, and will understand the importance of teamwork while participating in extracurricular activities.

Following a fall season where the Colonial programs were able to reach new heights, I, like you, look forward to celebrating more accomplishments our student-athletes will achieve throughout the 2019-20 winter season. Good luck to all basketball, competitive spirit, swimming, and wrestling teams!

Sincerely,

*Douglas J. Wherley*

A MESSAGE FROM OUR

# PRINCIPAL

## GREETINGS COLONIALS!

Arguably the best basketball player to ever walk on the court, Michael Jordan, stated, "If you're trying to achieve, there will be roadblocks. I've had them; everybody has had them. But obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it." It is my sincere hope that all of our student-athletes this season embrace this mantra and truly enjoy the journey that is high school athletics, learning to embrace failure as an opportunity to get better. I encourage our student-athletes and parents to enjoy the moment and embrace as many opportunities to create lifelong memories as are presented. As a district, our athletic program is on the rise. This is due to the strong leadership of our coaches, team captains, and administrators, as well as the hard work and dedication of our student-athletes. Parental support continues to increase, which is an integral ingredient for continuing down the road to success. The charge to the school community is to continue to be a part of the solution, and serve as a driving force behind positive change that will ultimately impact the skills and sportsmanship of our student-athletes.

Under the leadership of our athletic director, Mr. Doug Wherley, and his administrative assistant, Mrs. Patty Musselman, our athletic program continues to grow and flourish, with an evolving vision of where we need to be in the future. The addition of Hudl for all teams, as well as the camera system in the main gymnasium, will allow for the live streaming and recording of events, allowing our athletes to become more informed students of the game. We have had a successful offseason of interviews, and are thrilled with our new coaching hires and the knowledge and spirit they bring to our school community. Our student-athletes will continue to define what it truly means to be a Colonial by their actions on and off the field. Traditions will be built and Colonial Nation will continue to thrive. School spirit will provide the foundation for success across all teams, and serve as the springboard for mutual support across all programs throughout the district. Our experiences in life are what we make of them. We all need to strive to make this the most memorable season yet! Let's work together to make it a great. Go Colonials!

A MESSAGE FROM THE CONEWAGO VALLEY SCHOOL DISTRICT

# SUPERINTENDENT

On behalf of the board of directors, administration and staff it is my pleasure to welcome you to Conewago Valley School District to witness an extracurricular event that has been deemed important by the entire school community.

Extracurricular activities are an important part of any high school program and athletic competition can provide experiences that compliment the basic educational program. However, participation in such activities should be viewed as a part of the total school program and the values associated with such involvement should be related to the overall education of the student. Too often, especially in the heat of the competition, we lose sight of the real reason for extracurricular activities and begin to focus only on wins and losses. If our program is to be successful, we must remember that the main reason for providing such activities is the experience our students gain through participation.

We have been fortunate to receive good support from our community in the past and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations or as spectators who encourage our young people. It is important to us and to our students that you continue your support of our program and display good sportsmanship.

Thank you for your support.

Michael Englar >> VARSITY HEAD COACH

Coach Martin graduated from New Oxford in 1986. He was the captain of the wrestling team and voted MVP by his teammates in his senior year. In 1987 he started the first wrestling travel team for elementary for New Oxford (later named Beginning Champions). In 1988 he started coaching Jr High and has been involved in the wrestling program ever since. Coach Martin is very grateful for the opportunities he has had over the years to have learned from some of the best coaches. He is also grateful to be able to apply his skill for other young coaches and to reach out to his wrestlers with his love and passion for the sport. In Coach Martin's free time he likes to hunt and fish. Coach Martin and his wife, Kathi, have four children, Amber, Zack, Briana and Abbi.

Our competition cheerleaders will show the nation what it means to be a Colonial as we compete for the first time in the Game Day division this year! We will bring to life a performance that demonstrates true NEW OXFORD spirit!
