# WELCOME COLONIALS FANS

TO THE 2020-21 WINTER SPORTS SEASON>>>

**GREETINGS COLONIAL FAMILIES AND FRIENDS! THE 2020-21 SCHOOL YEAR MAY BE UNLIKE ANY**

**OTHER WE HAVE EXPERIENCED**, but that has not stopped our Colonial Athletic teams from putting forth their best performances. Following three league championships and three District 3 playoff appearances in the fall, I look forward to continued success during the 2020-2021 winter athletic season. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District.

The Conewago Valley School District Athletic Department is committed to providing all student-athletes the opportunity to fully develop their academic and athletic potential. Student-athletes will epitomize good sportsmanship while learning to appreciate the benefits of hard work, motivation, and perseverance in practice and competition. Colonials will take pride in their accomplishments and maintain integrity in defeat. Student-athletes will represent New Oxford in the highest esteem, will learn the values of responsibility and respect, and will understand the importance of teamwork while participating in extracurricular activities.

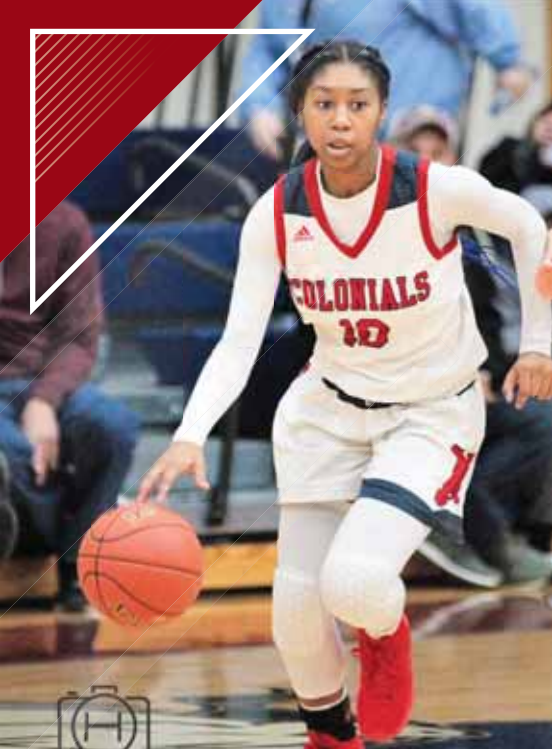

I again want to commend all of our winter student-athletes, coaches, and spectators for helping us prevent the spread of COVID-19 and for following all social distancing and face covering guidelines so that we may have our competitions this winter. Good luck to all basketball, competitive spirit, swimming, and wrestling teams!

Sincerely,

**GO COLONIALS!**

## GREETINGS COLONIALS!

Arguably the best basketball player to ever walk on the court, Michael Jordan, stated, "If you're trying to achieve, there will be roadblocks. I've had them; everybody has had them. But obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it." It is my sincere hope that all of our student-athletes this season embrace this mantra and truly enjoy the journey that is high school athletics, learning to embrace failure as an opportunity to get better. Despite the challenges we face due to the ongoing pandemic, I encourage our student-athletes and parents to enjoy the moment and embrace as many opportunities to create lifelong memories as are presented. As a district, our athletic program is on the rise. This is due to the strong leadership of our coaches, team captains, and administrators, as well as the hard work and dedication of our student-athletes. Parental support continues to increase, which is an integral ingredient for continuing down the road to success. The charge to the school community is to continue to be a part of the solution and serve as a driving force behind positive change that will ultimately impact the skills and sportsmanship of our student-athletes.

Under the leadership of our athletic director, Mr. Doug Wherley, and his administrative assistant, Mrs. Patty Musselman, our athletic program continues to grow and flourish, with an evolving vision of where we need to be in the future. Our student-athletes will continue to define what it truly means to be a Colonial by their actions on and off the field. Traditions will be built and Colonial Nation will continue to thrive. School spirit will provide the foundation for success across all teams and serve as the springboard for mutual support across all programs throughout the district. Our experiences in life are what we make of them. We all need to strive to make this the most memorable season yet! Let's work together to make it great. Go Colonials!

Proudly,

*Christopher T. Bowman, Ed.D.*

# SUPERINTENDENT

On behalf of the Board of Directors, Administration, and Staff it is my pleasure to welcome you to Conewago Valley School District. After a successful fall season for our Colonial teams, we are excited to kick off our winter extracurricular season! This school year is presenting some challenges, but we know that our school, students, and community will rise to meet these challenges.

We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community.

Extracurricular activities play an important role in our school district and provide experiences for our students that allow them to be successful, on and off the field of play. For our programs to be successful we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses.

We have been fortunate to receive support from our community in the past and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship. Thank you for your support as we navigate this fall season.

## GO COLONIALS!

Yours in Education,

*Christopher Rudisill, Ed.D.*
