Welcome Colonials fans to the 2022 Winter Sports Season

Greetings Colonial Families and Friends! On behalf of the Athletic Department, I want to wish our student-athletes continued success during the 2022-2023 winter athletic season. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District.

We thank you for attending our event and we invite all fans and spectators to join our student-athletes in promoting good sportsmanship throughout the competition. We are thankful for the officials, game help, coaches, and players who are involved in today's event. The Conewago Valley Athletic Department encourages all participants to take pride in their accomplishments and handle a defeat with integrity. Please remember that the ultimate goal of interscholastic sports is to learn the values of responsibility and respect, and to understand the importance of teamwork which are all core values that will be carried on in life.

Following a fall season where the Colonial programs continued to excel, I, like you, look forward to celebrating more accomplishments our student-athletes will achieve throughout the 2022-23 winter season. Good luck to all basketball, bowling, competitive spirit, swimming, and wrestling teams!

Sincerely,

Douglas J. Wherley
Director of Athletics

A Message From The Principal

Greetings Colonials!

Arguably the best basketball player to ever walk on the court, Michael Jordan, stated, "If you're trying to achieve, there will be roadblocks. I've had them; everybody has had them. But obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it." It is my sincere hope that all of our student-athletes this season embrace this mantra and truly enjoy the journey that is high school athletics, learning to embrace failure as an opportunity to get better. Despite the challenges we face due to the ongoing pandemic, I encourage our student-athletes and parents to enjoy the moment and embrace as many opportunities to create lifelong memories as are presented. As a district, our athletic program continues to build a foundation of success. This is due to the strong leadership of our coaches, team captains, and administrators, as well as the hard work and dedication of our student-athletes. Parental support continues to increase, which is an integral ingredient for continuing down the road to success. The charge to the school community is to continue to be a part of the solution, and serve as a driving force behind positive change that will ultimately impact the skills and sportsmanship of our student-athletes.

Under the leadership of our athletic director, Mr. Doug Wherley, and his administrative assistant, Mrs. Patty Musselman, our athletic program continues to grow and flourish, with an evolving vision of where we need to be in the future. Our student-athletes will continue to define what it truly means to be a Colonial by their actions on and off the field. Traditions will be built and Colonial Nation will continue to thrive. School spirit will provide the foundation for success across all teams, and serve as the springboard for mutual support across all programs throughout the district. Our experiences in life are what we make of them. We all need to strive to make this the most memorable season yet! Let's work together to make it great. Go Colonials!

Proudly,

Christopher T. Bowman, Ed.D.
Principal

A Message From The

Superintendent

On behalf of the Board of Directors, Administration, and Staff, it is my distinct pleasure to welcome you to Conewago Valley School District. After a successful fall season for our Colonial teams, we are excited to kick off our winter season! We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community.

Extracurricular activities play an important role in our school district and provide experiences for our students that allow them to be successful on and off the field. For our programs to be successful, we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses. We have been fortunate to receive support from our community in the past and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship. We are excited for the season ahead.

GO COLONIALS!

Girls Basketball

Welcome to the 2022-23 New Oxford girls' basketball season. Our team is ready for another exciting season on the hardwood! The players have invested time, energy, effort so they could achieve their goal of representing New Oxford High School. As a new season begins, a team never knows where the journey will take them, but this team is looking forward to creating memories and bonds that last a lifetime. The players and coaches would like to thank the administration, parents and the community for their support. "To accomplish great things, we must not only act, but also dream; not only plan, but also believe"

2022-23 is Coach Englar's sixth season as head coach of the girls' basketball team at New Oxford. The Colonials finished with a 10-13 record. Last season the girls' basketball team returned to post season play. This year we are looking to build on last year's success. Prior to heading the New Oxford program, Mike spent 14 years as JV and Asst. Varsity coach at York Catholic. His teams compiled an overall record of 220-31. During his time at York Catholic, he assisted in winning 11 District 3 Championships, 6 State Championship appearances and one of the state's longest win streaks, 61 games. Mike has a son, Nathan, who shares ownership of Handels Ice Cream. Mike also loves to travel with family and his girlfriend Licia and her daughter Alex.

Wrestling

Coach Martin graduated from New Oxford in 1986. He was the captain of the wrestling team and voted MVP by his teammates in his senior year. In 1987 he started the first wrestling travel team for elementary students at New Oxford (later named Beginning Champions). In 1988 he started coaching Jr High and has been involved in the wrestling program ever since. Coach Martin is very grateful for the opportunities he has had over the years to have learned from some of the best coaches. He is also grateful to be able to apply his skill for other young coaches and to reach out to his wrestlers with his love and passion for the sport. In Coach Martin's free time, he likes to hunt and fish. Coach Martin and his wife, Kathi, have four children: Amber, Zack, Briana, and Abbi and one granddaughter, Vera.

Swimming & Diving

Welcome to the 2022 - 2023 New Oxford Swimming season and thank you for your continued support of all students in the Conewago Valley School District. This season's goals are to build a strong technically sound swim team. Due to numbers, wins may not be easy, but personal achievements and team growth is the top priority for our team. "I'd like to grow this team into something the district, the community, and the students can be proud of. Hard work, attention to detail, and positive support to all my athletes will help us achieve those goals and more. If my athletes are healthy, improving both in and out of the pool, and enjoying the sport, there's not much more I can ask for."

Coach Ben Olewiler swam for York High in the 90's and lifeguarded and taught swim lessons to students aging from infant to adult throughout college and beyond. He currently is an assistant coach for the Spring Grove Swim Club and has been since 2019. After graduating from the School District of the City of York, Coach Olewiler earned an elementary education degree from Mt. St. Mary's University and his Masters degree from Penn State. The Olewiler's reside in the Conewago Valley School District with their two children: Karter and Kinley.

This season's goals is to improve our program as a whole and develop the younger bowlers in our program. Our team returns everyone from our Varsity Five a year ago. The goal is for our team to finish with a winning record and hopefully place a few bowlers in the District-3 tournament.
