Welcome Colonials fans to the 2024 Spring Sports Season

Message from the Athletic Director

Welcome to New Oxford! On behalf of the Athletic Department, I want to extend our sincerest thank you to our student-athletes for an outstanding 2023-2024 thus far and wish the best to those spring teams that are now beginning their seasons. As we strive for excellence in the classroom, on the playing surface, and throughout the community, we want to recognize all of our student-athletes who have devoted much of their time and effort in order to maintain and promote the rich tradition of athletics within the Conewago Valley School District.

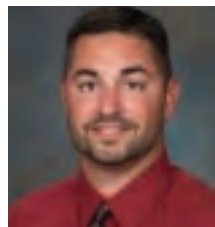

The Conewago Valley School District Athletic Department is committed to providing all student athletes the opportunity to fully develop their academic and athletic potential. We are committed to promoting good sportsmanship by both student-athletes and spectators. Colonials will take pride in their accomplishments and maintain integrity in defeat. Student-athletes will represent New Oxford in the highest esteem, will learn the values of responsibility and respect, and will understand the importance of teamwork while participating in extracurricular activities.

The New Oxford community has had the privilege of watching our Colonials compete and accomplish so much in the 2023-24 year so far. Please join me in applauding all of our student-athletes and coaches in their commitment to the athletic programs of the Conewago Valley School District. Finally, to all senior student-athletes, thank you for everything you have done for your teams and for the examples you have set for underclassmen to strive to become.

The Athletic Department wishes you the best in all of your future endeavors.
Sincerely,

Doug Wherley
Director of Athletics
Conewago Valley School District

A Message From The Principal

Greetings Colonials!

Henry Ford once said, "If everyone is moving forward together, then success takes care of itself." It is my sincere hope that all of our student-athletes continue to build the "We over Me" mentality, along with setting and exceeding team goals. We strive to ensure that our student-athletes truly enjoy the journey that is high school athletics, and learn to embrace failure as an opportunity to grow and improve. I encourage our student-athletes and parents to enjoy the moment and embrace as many opportunities to create lifelong memories as are presented. As a district, our athletic program is experiencing a tradition of success. This is due to the leadership of our coaches, team captains, and administrators, as well as the hard work and dedication of our student-athletes. Parental support remains an integral ingredient for continuing down the road to success. The charge to the school community is to continue to be a part of the solution, and serve as a driving force behind positive change that will ultimately impact the skills and sportsmanship of our student-athletes.

Due to the continued leadership of our Athletic Director, Mr. Doug Wherley, the steadfast dedication of Mrs. Patty Musselman, and the contributions of our new team member, Assistant Athletic Director, Mr. Steven Sidote, we have found creative ways to grow our student-athletes. We know that Colonial Nation will continue to rise to the challenge and battle until the last whistle. Our student-athletes will continue to define what it truly means to be a Colonial by their actions on and off the field. Traditions will be expanded and school spirit will provide the foundation for success across all teams, and serve as the springboard for mutual support across all programs. Our experiences in life are what we make of them. We all need to strive to make this the most memorable season yet! Go Colonials!

Proudly,

Christopher T. Bowman, Ed.D.
NOHS Principal

A Message From The

Superintendent

On behalf of the Board of Directors, Administration, and Staff, it is my distinct pleasure to welcome you to Conewago Valley School District. After a successful winter season for our Colonial teams, we are excited to kick off our spring season! We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community.

Extracurricular activities play an important role in our school district and provide experiences for our students that allow them to be successful on and off the field. For our programs to be successful, we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses. We have been fortunate to receive support from our community in the past and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship. We are excited for the season ahead.

Thank you for attending today's meet to cheer on the Colonials! Coach Pennings and I are excited to have many returning athletes on our varsity team this season! Our goal is to lead the girls track and field team in a season of personal records and high levels of competition. We are hoping to improve our season record from last year and to send more athletes to invitationals and the YAI AA Championship meet. We are excited about the talent our returning athletes have and what our newest members will be bringing to the team this year. Track is a wonderful sport where the personal success of a thrower in the field, a jumper in the pit, or a runner on the track benefits the team as a whole. The Colonials are working this season for personal and team success across every event, and we appreciate your support throughout the season! Go Colonials!

Isabella Arnold

We are so proud of all your hard work over the years. You have become an amazing leader on and off the field. We can't wait to see what the future holds for you. Keep reaching for the stars!!!

Austin Bachota

AJ,

We are so proud of you both on the field and in life. Make this the most memorable season of baseball yet. Don't look at this season as your last year of baseball, look at it as the start to the next chapter. We wish you the best of luck next year while continuing your passion of Baseball at Saint Vincent.

Love, Mom & Dad & your Angel in Heaven

Love, Mom, Dad & Emma

Leah Noel

I would have NEVER thought you would still be catching after that day, 11 years ago, when Ben asked if there was anyone interested in catching for Emma. When I say my 7 year old, little girl's hand go up and hear her say, "sure I'll try!", my heart dropped. To see you get hit so many times and the umpire ask if you are ok over and over again made me want to pull you out of that inning. You kept saying, "yep, I'm fine". I knew you knew what you were doing, 3 outs later, after catching for an 11 year old, you came off the field, got your gear off and collapsed in my lap and sobbed, "that hurt sooooo bad!". My heart ached for you. You NEVER gave up!! Fast forward 11 years, it's your senior year, baby girl!!! My heart is full—though it is a bittersweet year—I know you have what it takes to make it through whatever life throws at you! We are so very proud of you! Love, Dad, Mom, Logan, Taylor, Derek, and the rest of the family!!
