Welcome Colonials fans to the 2025 Fall Sports Season

As a proud 2003 graduate of New Oxford High School, I am excited to begin my first year as the Athletic Director here at the Conewago Valley School District. Prior to this role, I spent eight years as the Athletic Director at West Perry School District, where I led an athletic program, supporting our coaches, and advocating for our student athletes. Before that, I spent ten years working in higher education as a college football coach. I'm excited to bring the experience I've gained to help enhance and grow our already outstanding athletic department.

Being a part of Colonial Athletics will offer you a valuable opportunity to develop important life skills such as commitment, teamwork, and accountability. The lessons you gain through participating in our programs will help shape your future, both on and off the field. Embracing wins and losses with grace and sportsmanship is essential in representing our New Oxford community. We are committed to maintaining athletic programs that are not only competitive but also demonstrate excellence in every aspect. Colonial athletes must also strive to find the balance of athletic success and academic success. The Colonials Athletic Programs will produce well rounded successful athletes.

I would like to express my gratitude to all our athletes for their dedication and commitment to competing in fall sports this year. We've already seen many great accomplishments, and I'm looking forward to even more exciting highlights this fall. I also want to extend a special thank you to the New Oxford Athletic Booster Club for their continued support in improving our athletic programs and enhancing the athlete experience here at New Oxford. I am excited to collaborate with them throughout the year. Good luck fall athletes!

Let's Go Colonials,

Mr. Ryan Anderson

A Message From The Principal

Welcome to another year of Colonial Athletics!

I have no doubt that our athletes have been working diligently over the summer, preparing to represent New Oxford High School with pride. Balancing the demands of being a student athlete can be challenging but I have every confidence that our young people are up to the task. Participation in sports is about more than just competition and winning games; it is an opportunity to learn and grow in profound ways. Teamwork, collaboration, discipline, perseverance, resilience, respect, and sportsmanship are all life skills that our student athletes will take with them after they leave us for their future endeavors.

As we begin a new season, let's celebrate not only the athletic achievements of our students but also the personal growth and life skills they acquire through their participation in sports. Their experiences serve as a testament to the value of hard work, dedication, and the pursuit of excellence.

I encourage all members of our community to come out and support our Colonial sports teams. Your presence at games and events not only boosts the morale of our athletes but also strengthens the bonds that make our community such a special place. Thank you for your continued support of our student-athletes and our sports programs.

Go Colonials!

Dr. Nancy Herb

A Message From The

Superintendent

On behalf of the Board of Directors, Administration, and Staff, it is my distinct pleasure to welcome you to Conewago Valley School District. After a successful 2024-2025 year for our Colonial teams, we are excited to kick off our fall season! We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community.

Extracurricular activities play an important role in our school district, and provide experiences for our students that allow them to be successful on and off the field. For our programs to be successful, we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses. We have been fortunate to receive support from our community in the past, and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship. We are excited for the season ahead!

GO COLONIALS!

FOOTBALL

The 1995 New Oxford High School football team took the program to another level this season. The Colonials took an impressive 8-2 record with them to Dallastown for the first district playoff game in New Oxford history. The team featured the league's leading rusher and a countless number of players named to various all-star teams. The Colonials not only set the pace for area football, but earned the respect of all those around them. It was certainly a season to remember.

Travis O'Brien is poised as the battle continues in the trenches.

Bob Topper makes one heck of an effort as did the Colonials in the District III Playoffs.

Through rain, sleet, and snow Lawrence and company are rainin' to go.

Cross Country

Thank you for coming out to support the Colonials! We are pleased to have your support on the cross country course as it is a non-traditional spectator sport. While you may not be able to see the entire race, we appreciate the enthusiastic cheering at the times you get to see the runners as they thrive on your encouragement! It's a great day to be a Colonial and a great day to enjoy our sport! Go OX!

Head Coach: Eva Karkuff

Assistant Coaches: Steve Doland

Coach Bio - This will be Coach Karkuff's 8th year leading the Colonial runners. Coach Karkuff ran cross country and track at Cumberland Valley High School & Gettysburg College and deeply enjoys her role as the head coach of this cross country team. Coach Karkuff is honored to be joined again this year by Steve Doland as the high school assistant cross country coach. Coach Doland and Coach Karkuff are looking to build on the success of the 7-12 cross country program as we have seen continued growth in participation, retention, and talent, and Coach Karkuff and Doland are enthusiastic about what this season holds!

Coach Karkuff is also grateful to welcome back Coach Tasha Martin as the head middle school coach. Coach Martin has a passion for running and is eager to foster a passion for cross country for our Middle School Colonials again this year! Our middle school program returns with strong numbers and is still growing! Coach Martin does need a helping hand, though! If you are interested or know anyone who is, please reach out!

The coaching staff is excited to see how cross country has grown over the last few years here in Colonial Nation! The varsity cross country team is strong with returning varsity members and many new members coming up from our middle school program! "It is great to see runners who are engaging in the program in 7th grade and developing their ability throughout high school. It creates a deep program, a strong team, and a close-knit group of athletes" says Coach Karkuff. Coach Karkuff is excited to see the athletes in both the middle and high school programs build on their seasons from last year to achieve new personal bests and to have the newcomers create competitive packs this year!

Tennis

Thank you so much for attending today's match and coming to watch your 2024 League and District Runner Ups! These colonial girls are on FIRE! Your support to our program and to New Oxford's student athletes is greatly appreciated. The Girls Tennis team is looking forward to another season full of exciting and competitive games. It is our belief that we must be role models on and off the courts. Tennis is a gentleman's/ladie's sport and through sportsmanship on the court, our athletes learn valuable skills used both in and outside of the game. Our athletes show resiliency and do not give up. Each day they strive to be better. Our athletes understand that winning a sportsmanship award is just as important as winning a championship. A fan base goes a long way in a tight match. We want to thank you for your continuous support. GO COLONIALS!

I would like to welcome all coaches, players, and families to the 2025 fall sports season. I wish you luck and success with your studies and for your season! Go Colonials!

Head Coach: Josh O'Brien

Assistant Coaches: Ryan Fox

Coach Bio - I am a New Oxford High School graduate. I went on to golf at York College of Pennsylvania. Once I finished my degree, I returned to where it all started for me on the course and in the classroom. I have enjoyed some personal successes through the years but I am more about growing the game. I have worked with 100's of young men and young ladies to help them become lifelong golfers. For me, it has never been about the wins and losses, but learning the game and becoming a better player and person.

Golf embodies traits that make a person successful such as being trustworthy, being responsible, showing perseverance, having integrity, demonstrating confidence, and having a good sense of judgment. I am proud to say that my teams have won the Sportsmanship Award several years during my tenure. I am excited to see the interest in golf continue to grow. I have a record 35+ golfers coming out this year.

Cheer

Thank you for joining us under the lights! Our cheerleaders are proud to represent New Oxford as they lead the crowd, energize the sidelines, and support our athletic teams all year long.

In addition to game day spirit, many of our athletes compete at the local, state, regional, and national levels, demonstrating strength, skill, and commitment both on and off the mat.

We're grateful for your continued support as we build strong, spirited, and dedicated athletes. Go Colonials!
