# Welcome Colonials fans to the 2026 Spring Sports Season

As a proud 2003 graduate of New Oxford High School, I am excited to be the Athletic Director here at the Conewago Valley School District. Prior to this role, I spent eight years as the Athletic Director at West Perry School District, where I led an athletic program, supporting our coaches, and advocating for our athletes. Before that, I spent ten years working in higher education as a college football coach. I'm excited to bring the experience I've gained to help enhance and grow our already outstanding athletic department.

Being a part of Colonial Athletics will offer you a valuable opportunity to develop important life skills such as commitment, teamwork, and accountability. The lessons you gain through participating in our programs will help shape your future, both on and off the field. Embracing wins and losses with grace and sportsmanship is essential in representing our New Oxford community. We are committed to maintaining athletic programs that are not only competitive but also demonstrate excellence in every aspect. Colonial athletes must also strive to find the balance of athletic success and academic success. The Colonials Athletic Programs will produce well rounded successful athletes.

I would like to express my gratitude to all our athletes for their dedication and commitment to competing in spring sports this year. We've already seen many great accomplishments this school year, and I'm looking forward to even more exciting highlights this spring. I also want to extend a special thank you to the New Oxford Athletic Booster Club for their continued support in improving our athletic programs and enhancing the athlete experience here at New Oxford. I am excited to collaborate with them throughout the year. Good luck spring athletes!

Let's Go Colonials,

Mr. Anderson

## A Message From The Principal

Welcome to another year of Colonial Athletics! I have no doubt that our athletes have been working diligently in the off-season, preparing to represent New Oxford High School with pride. Balancing the demands of being a student athlete can be challenging but I have every confidence that our young people are up to the task. Participation in sports is about more than just competition and winning games; it is an opportunity to learn and grow in profound ways. Teamwork, collaboration, discipline, perseverance, resilience, respect, and sportsmanship are all life skills that our student athletes will take with them after they leave us for their future endeavors.

As we begin a new season, let us celebrate not only the athletic achievements of our students but also the personal growth and life skills they acquire through their participation in sports. Their experiences serve as a testament to the value of hard work, dedication, and the pursuit of excellence. I encourage all members of our community to come out and support our Colonial sports teams. Your presence at games and events not only boosts the morale of our athletes but also strengthens the bonds that make our community such a special place. Thank you for your continued support of our student-athletes and our sports programs.

Go Colonials!

A Message From The

# Superintendent

On behalf of the Board of Directors, Administration, and Staff, it is my distinct pleasure to welcome you to Conewago Valley School District. After a successful winter season for our Colonial teams, we are excited to kick off our spring season! We are extremely proud of our extracurricular events and recognize the importance they play in the lives of our students, parents, and community.

Extracurricular activities play an important role in our school district and provide experiences for our students that allow them to be successful on and off the field. For our programs to be successful, we must remember that it is about the experience the students gain from the participation and competition, not the wins and losses. We have been fortunate to receive support from our community in the past and we trust that such support will continue in the future. Our administration is indebted to the large number of people who back the extracurricular programs through participation in booster organizations. It is important to us and to our students that we continue to support our programs and display good sportsmanship. We are excited for the season ahead.

GO COLONIALS!

Achieving our goals will come down to leadership, discipline, and consistency throughout the season. With 11 seniors on the roster, our veteran players will need to set the tone in terms of preparation, communication, and effort each day. If the group maintains the work ethic and focus they built during the offseason, we will put ourselves in a strong position to compete for another County Championship and make a strong push into the District Tournament.

# Track & Field

Thank you for attending today's meet to cheer on the Colonials! We are excited to have many returning athletes on our varsity team this season! Our goal is to lead the track and field team in a season of personal records and high levels of competition. We are hoping to improve our season record from last year on the girls' side and retain an undefeated season on the boys' team. Both teams aim to send full squads to qualifying invitationals and the YAIAA Championship meet. We are excited about the talent our returning athletes have and what our newest members will be bringing to the team this year. Track is a wonderful sport where the personal success of a thrower in the field, a jumper in the pit, or a runner on the track benefits the team as a whole. The Colonials are working this season for personal and team success across every event, and we appreciate your support throughout the season! Go Colonials!

## Ava Wilke

We are so proud of your growth athletically and mentally since you started playing softball 11 years ago. Your technique, dedication, and confidence evolved as you grew into a young adult, and that has been a privilege to witness on and off the field. It's hard to believe this is your final season of high school softball and graduation is right around the corner. We'll continue to cheer you on in this final stretch and as you move on to such a bright future ahead.

Love always,  
Mom and Dad
